Dear John and Earl:

This document amends your 2010 Annual Operating Instructions (AOI) for the Smoot/Moritz Allotments due to the Marteen and Wild Horse fires. The pasture sequence is the **only** item amended; there are no other changes from the AOI mailed to you on March 8, 2010.

The following is the amended pasture sequence for the 2010 – 2011 grazing season:

Pasture Name	Use Dates	Number of Head	Number of Days
NE ¹	03/1 to 05/05	140 – 170	71
Knobs	03/01 to 05/31	50 – 75	92
Antelope	05/06 to 06/10	190 – 245	35
Moritz, Marlar, Rabbit	06/11 to 08/24	245	75
Drip	08/25 to 09/23	245	30
BS, Knobs, Antelope	09/24 to 12/07	245	75
NE and Platten	12/08 to 1/23/2011	245	47
Allen or Smoot ²	01/24 to 02/28	245	36

¹NE pasture was grazed at the same time last spring (3/1 to 4/15/2009), therefore NE Pasture will be rested in the spring of 2011.

² Either **Allen** or **Smoot** will be given complete rest depending on available forage and water.

All of the animals from the Red Rock Pasture must be placed with the main herd in the Antelope Pastures by June 1, 2010 and must remain as one herd following the pasture sequence above.
